COACHES AND MINI BUSES IN BIBURY

I am writing on behalf of the residents of Bibury, who have made it quite clear to the Parish Council that the sheer amount of coaches and mini buses making **brief stop overs** in Bibury is unacceptable. The residents of Bibury are proud of their village and are welcoming to visitors but their tolerance is now stretched to the limit.

Therefore, the Parish Council are pursuing initiatives that will make it extremely difficult for coaches / mini buses to park and offload passengers. As the Council appreciate that you will probably be putting together your tour itinerary for 2021, I wanted to ensure that I gave you adequate time to prepare and remove Bibury from your list if necessary.

The Council will work with the business (like The Swann Hotel) to ensure provision is planned for those coaches/mini buses that are making use of their facilities. However, it is envisaged that from Spring 2021, there will be NO parking (even for a short time) for any other coaches!

Please feel free to contact me should you require further details.

Yours sincerely

Mrs Irena Litton
